LOCAL NEWS.

THE MANASSAS GAP R. R. - We understand that the Directory of the Manassas Gap R. R. are endeavoring to effect a loan of twenty-five thousand dollars, for the purpose of putting the road into immediate operation to Salem, in Fauguier county. If the loan can be effected, we are informed that the formers in that section of the State will obligate themselves to deliver the necessary ties, at convenient points along the line of the road. There is a large quantity of rails, bent and twisted, that can be straightened and used, and these, with what the Company have here, will be sufficient to relay the track to the point above named. It is earnestly hoped that the efforts of the President and Directors will prove eminently successful, and that at an early day we may have the pleasure of announcing that the work of reparation on this great and im portant line of railroad has been resumed .-The speedy reconstruction of this road is of vital importance to our city, and all that can be done towards rebuilding it, will, we are sure, be done with a hearty good will. The road completed to Salem, and there is little doubt that it will be pushed further on without further delay.

A meeting of the Shareholders of Ivy Hill Cemetery, was held to-day at the Bank of the Old Dominion. J. J. Wheat, esq., was called to the Chair, and C. F. Lee, esq., appointed Secretary. Messis. J. F. Lee and Reuben Johnston, was also ap pointed to ask remuneration of the Government for damages sustained by the Cemetery from Federal troops. We learn that several of our citizens have already expressed a willingness to contribute liberally to the laudable object of repairing this Cemetery, and hope that the committee appointed to obtain subscriptions may be successful in their collections.

A man named Patrick Caraher was arrested this morning, about half-past three o'clock, at the Penian Ball, by Capt. At nine o'clock this morning, Capt. Walsh also arrested Thomas Burnett, on the corner of Duke and Payne streets, upon the same charge, and upon him was found al watch belonging to Williams. POLICE REPORT. - MAYOR'S OFFICE. - Great amusement was created at the Mayor's office this morning, by the appearance of Wm. Herry Mortimer. Wm. Henry is an inoffensive creature, who has been absent from the city for several years, but has again turned up. Wm. Henry used to be a regular customer at the office, and was found by the Police last night in a perfect state somnambulism, and this mor: ing put in the lock up. He told His Honor that he went to Fish Town, and touched the "critter" very lightly; but when asked why he trembled, he said he got some very bad whiskey at Fishburg. His Honor being desirous of knowing where good and bad whiskey was sold there, Wm. Henry informed him that Mr. Robicson kept some pretty good, and that Mr. Cox also dealt in a tolerable fair article, but unfortunately, last night, he fell among the Philistines and got some "pine-top" that made him"tremblefied"-a new word in our vocabulary. His Honor let Wm. Henry go, with a promise that he would quit the city, go to the Seminary and resume his work at gardening. Wm. Henry thanked him for his kindness, adjusted his shocking beaver, and with many bows left the office, but whether for the Seminary or Fish Town, deponent saith not.

Bill Humphreys, a negro boy, was arrested this morning by the Police, for throwing stones at another boy, and using profane language. In consequence of the other party making his es cape, the Mayor gave Bill a lecture and discharged him. If he is caught again, the Corporation Farm will be Bill's abode for three months, under the surveillance of Captain Sto-

The Ball of the John Mitchell Circle of the Fenian Brotherhood, at the Odd Fellow's Hali, last night, was very numerously attended, and everything passed off in a highly satisfactory manner. The duncing was kept up until neary Sun-rise this morning.

It will be seen by a notice in this evening's Gazette that Milburn & Brother are now prepared to furnish to the thirsty, cooling draughts of sparkling Sode Water, flevored with the choicest syrups.
